### Summary of reasons for decision:

The computer image file depicts a naked young man with his arms around a girl who is wrapped in a white towel. The image is likely to be interpreted as a candid shot of horseplay between two young people. There are no overtly sexual elements in the image and it raises no issues under s3(1), s3A or s3B of the Films, Videos, and Publications Classification Act 1993. The image must, therefore, be classified as unrestricted. This classification imposes no limitation on the right to freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990.
